

I 以下の英文を読み、問いに答えなさい。

1. 下線部（1）～（4）を和訳しなさい。
2. 内容に即したタイトルをつけなさい。

（英語、日本語のどちらでも可）

II 以下の英文を読み、問いに答えなさい。

問1 本文の内容と一致していれば T、一致しなければ F を記入せよ。

(1) The author views euthanasia and physician-assisted suicide as acceptable options when a person feels their meaningful life has ended.

(2) The author believes that medical progress has mainly extended the dying process rather than increased the number of healthy years.

(3) The author argues that very long life can emotionally burden adult children.

(4) The author considers 75 a flexible boundary that should be adjusted according to medical necessity.

問2 次の語句・表現が本文の文脈で示す意味を日本語で答えよ。

(1) the American immortal (2) compression of mobility

(3) the canvas of life has become tiny

問3 以下の問いに英語で答えよ。

The author argues that limiting one's lifespan to about 75 can lead to a more meaningful and dignified life.

Do you agree or disagree? Discuss your opinion by referring to medical, ethical, and social perspectives.

Write your answer in 150-200 words.
